

Historical Aerials

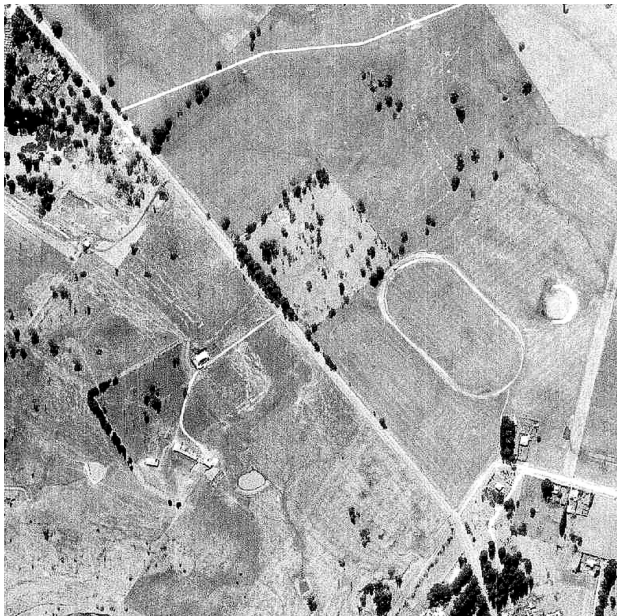

Source: NSW Spatial Services - Historical Imagery Viewer / Historical Aerial Photography collection.

The aerial extracts below are ordered from earliest to latest. The views are clean cropped extracts with no survey-style pinpoint markers shown.

Historical aerial imagery sourced from NSW Spatial Services shows repeated cleared paddock areas, access tracks and an oval/circular ground feature near 6 Bulwer Road / Lot 4 DP746930. Later colour frames show the oval feature most clearly; earlier black-and-white frames are included as locality and disturbance evidence.

Corrected view: 19/08/1963 - 6 Bulwer Road / Lot 4

Clean extract for visual orientation; not a surveyed overlay.

Corrected view: 29/12/1974 - 6 Bulwer Road / Lot 4

Clean extract for visual orientation; not a surveyed overlay.

1963 and 1974 revised clean aerial extracts. No pinpoint marker is shown.
